We would LOVE to see YOU.

Over the Summer holidays, we want to reach the young people of Carryduff with the gospel through sports. Our Youth Worker and a team of volunteers will be running a four day 'Sports4Kids' program at Carryduff Presbyterian Church.

This is a great opportunity for children to come together, make new friends, develop new skills and hear about Jesus.

As a church we believe in young people, and want them to reach their full potential. We seek to be active in our local community with a specific focus on the future generation.

We would love your child (ren) to join us for this exciting program.
